

17.18.010: PURPOSE:

The purpose of this chapter is to provide a mechanism for the protection of those areas of the county which are determined to be environmentally sensitive areas. This chapter is intended to:

- A. Protect the general health, welfare and safety of the citizens of the county.
- B. Minimize public and private property damage and emergency tax assistance.
- C. Provide for an awareness of sensitive areas. (Ord. 2004-10, 8-10-2004)
