

Section 1708 Construction Limitations.

1. Upon approval of a Planned Unit Development, construction shall proceed only in accordance with the plans and specifications approved by the Planning Commission and in conformity with any conditions attached by the Commission to its approval.
2. Amendments to approved plans and specifications for a Planned Unit Development shall be approved by the Planning Commission and shown on the approved plans.
3. The Building Inspector or any other department shall not issue any permit for any proposed building, structure, activity or uses within the project unless such building, structure, activity, or use is in accordance with the approved development plan and any conditions imposed in conjunction with its approval.
4. The Building Inspector shall issue a Certificate of Occupancy for any building or structure upon its completion in accordance with the approved development plan.
