

10-8-2: SIGN REGULATIONS:

C. Permitted Signs:

2. Wall Mounted Signs:

- a. No wall mounted sign shall exceed one square foot of sign area for each four (4) lineal feet of building frontage, up to a maximum of thirty (30) square feet. (Ord. 323, 3-9-1998; amd. 2004 Code)
- b. When two (2) or more businesses are located in the same building and share the same business frontage, they may share one sign as described in subsection C2a of this section, or they may divide the square footage permitted in subsection C2a of this section into signs for each business.
- c. The area of all wall mounted business signs shall be the extreme limits of the display surface. The display surface includes any architectural embellishments or background materials that are an integral part of the display and used to differentiate the sign from its surroundings.
- d. Wall mounted signs shall not cover or interrupt major architectural features such as doors and windows.
- e. Wall mounted signs shall not project out more than six inches (6") from the wall on which it is mounted.
- f. The maximum height of a wall mounted business sign shall not exceed fifteen feet (15') above the grade directly below the sign, except where specifically approved in a comprehensive sign plan.
- g. Wall mounted signs shall be wood, metal, or painted on the side of the building. Plastic and/or lexan materials are not permitted except where used for lettering in conjunction with wood or metal background to shield an internal light source.
