

CHAPTER 24
HILLSIDE DEVELOPMENT STANDARDS

10-24-11: PENALTY:

In addition to those penalties prescribed in subsections [10-1-21A](#) and B of this title, the public works director or building official shall have the right to order a halt to construction of any improvements within a hillside development where, at their discretion, there exists a condition which violates, or threatens to violate, any provisions of this chapter. Such suspension of construction activities shall continue until the public works director, or building official, is satisfied that measures have been implemented for substantial compliance with this chapter. (Ord. 2006-910-O, 5-2-2006)
