

CHAPTER 24  
HILLSIDE DEVELOPMENT STANDARDS

10-24-12: EXEMPTION:

Notwithstanding the requirements of this chapter, the requirements herein are intended to apply to any and all development projects proposing to develop land for residential, commercial, or industrial subdivisions, and/or planned development purposes. Grading for strictly mining or mineral development, unless otherwise required by the public works director, is exempt from this chapter. (Ord. 2006-910-O, 5-2-2006)
