

10-8E-1: PURPOSE:

The purpose of this zone is to provide appropriate locations where low density residential neighborhoods may be established, maintained and protected. The regulations also permit the establishment, with proper controls, of public and semipublic uses such as churches, schools, libraries, parks and playgrounds which serve the requirements of families. The regulations are intended to prohibit uses that would be harmful to a single-family residential neighborhood. (Ord. 2001-815-O, 12-17-2001, eff. 12-17-2001; amd. 2004 Code)
