

Chapter 20
PLANNED RESIDENTIAL UNIT DEVELOPMENT - P.R.U.D.

16-20-070 Streets

Streets within the PRUD shall be designated as either public or private on the Final Plat. All streets shall meet the minimum standard for right of way width, pavement and turn around radius regardless of designation as private or public. Maximum street length for a dead-end street within a PRUD shall be one thousand (1,000) feet.
