

19.45.130 Lighting.

- A. Uniformity of lighting is desirable to achieve an overall objective of continuity, and to avoid objectionable glare.
- B. The maximum height of luminaries shall be eighteen feet unless the planning commission requires a lower height as part of the conditional use approval. The light shall be low intensity, shielded from uses on adjoining lots, and directed away from adjacent property in a residential or agricultural zone or an adjacent residential or agricultural use.
- C. All parking luminaries, except those required for security, shall be extinguished one hour after the end of business hours. The exception for security lighting applies to a maximum of twenty-five percent of the total luminaries used, unless the planning commission approves a higher percentage.
- D. Pedestrian walkways to mass transit facilities shall be lighted. (Ord. 1192 § 1 (part), 1992)
